

Pfizer Consumer Healthcare (PCH) is among the largest over-the-counter (OTC) health care products companies in the world, with a global footprint of operations in more than 90 countries.

We maintain leadership positions in many markets and sell two of the top 10 global brands (Advil and Centrum). PCH develops, manufactures and markets leading non-prescription medicines, vitamins and nutritional products. We strive to bring new and better solutions to market that help consumers around the world support their health and enhance personal wellbeing.

PCH drives growth through major global brands including Centrum (the world's #1 multivitamin), Caltrate (the world's #1 calcium supplement) and Advil (the world's #1 ibuprofen analgesic brand). The division's major categories consist of Pain Management, Dietary Supplements, Gastrointestinal, Respiratory and Personal Care.
